Network Basics

The Network...

Goal:

Enhance national adaptation planning & action in developing countries

Established in 2014 @ COP20 in Lima, Peru

» Funding: Austria, Canada, Germany & US

Participation: both developing countries & donors / dev partners

» 500+ participants, 100+ countries, 10+ donors

Governance & management

» Secretariat: IISD

» Steering Committee

Strategic engagements: UNFCCC, GCF, other NAP programs

Aims & Activities

SUSTAINED PEER LEARNING & EXCHANGE

Targeted Topics Forum (6)

Peer Exchange Program (9)

NATIONAL-LEVEL ACTION

Country Support Hub (14)

In-Country Programs (17)

ENHANCING BILATERAL SUPPORT

Knowledge sharing

Global / country coordination

ANALYSIS, COMMUNICATIONS & KNOWLEDGE PRODUCTS

Country Support Hub

Two types of support:

1. **Expert advice:** Light touch feedback and advice on NAP issues from Secretariat, peers/participants, Roster of Experts – virtual support
2. **Targeted Technical Support:** Specific and short-term assistance to maintain momentum in a NAP process – experts contracted

Thematic resources

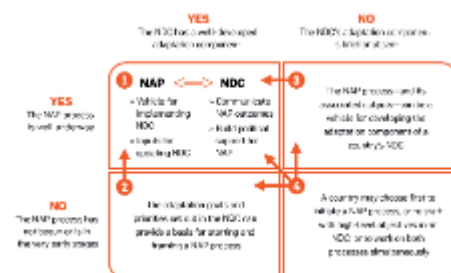

Sector integration

Spectrum of approaches to integration in a NAP process

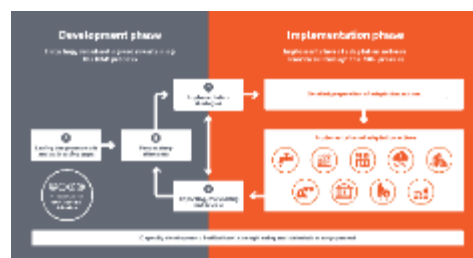

Vertical integration

Framework for creating strategic links between national and sub-national adaptation planning, implementation, and M&E

Relationship to NDCs and SDGs

Framework for understanding how NAPs are related to NDC processes and SDG implementation

Financing NAP processes

Identifying, aligning, and strategically accessing different sources of financing for different phases of the NAP process

Gender

Assessing and tracking gender-responsiveness in NAP processes

The Network's Niche

LEARNING

COORDINATION

BILATERAL SUPPORT

Targeted Topics Forum

Targeted Topics Forum (TTF)

- Space to allow for honest and practical exchanges around NAP processes
- Zoom in on one specific topic related to NAP, move beyond generalities
- Aim: Community of practice, South-South exchange

TTF's Cohort Approach

- Group of participants from 9-10 countries – relatively closed
- Meet in person once a year at a TTF
- Topics that build on each other
- Sustained peer learning – continue the conversation after the meeting

- Albania
- Brazil
- Grenada
- Jamaica
- Kenya
- Malawi
- Peru
- Philippines
- Togo

**2015
Cohort**

- Benin
- Cambodia
- Colombia
- Fiji
- Kiribati
- Madagascar
- Mexico
- (Samoa)
- Solomon Islands
- South Africa
- Tanzania
- Thailand
- Vanuatu

**2016
Cohort**

TTF's Three Pillars

TECHNICAL

Getting inputs from experts in the field to enhance understanding and frame discussions

RELATIONAL

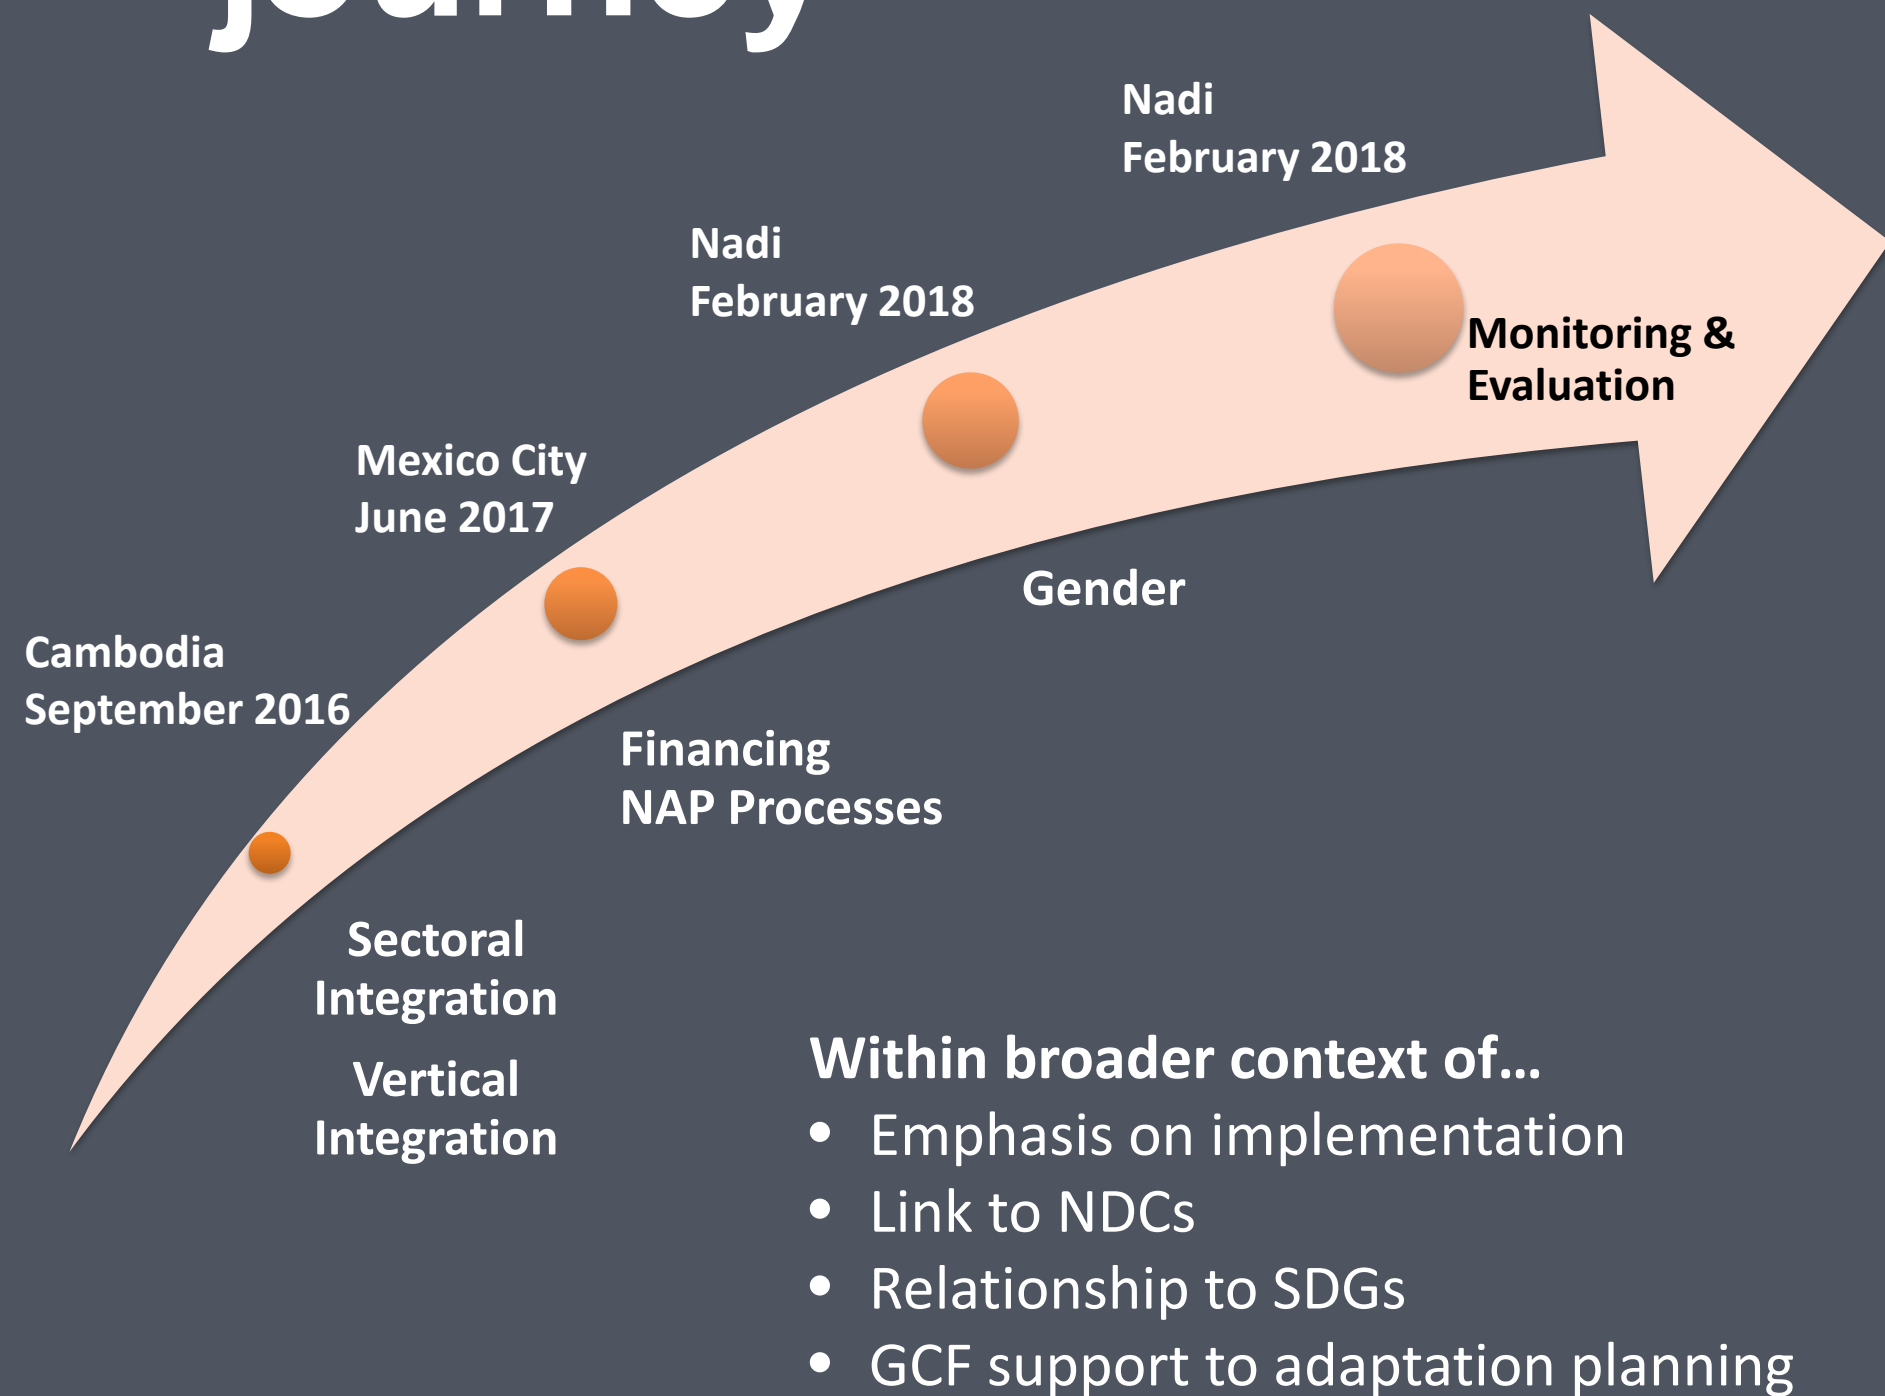

Sharing experiences on these issues and learn from peers in countries from around the world

REFLEXIVE

Unpacking what these technical inputs mean in own country contexts

Themes / learning journey

TTF Objectives

- Ensure participants have a strong foundation in the key topics needed to design, implement and use results of M&E systems as a part of their NAP process
- Identify key challenges, best practices and emerging opportunities related to the monitoring and evaluation of adaptation in the NAP process
- Promote an exchange of views on effective ways to conduct and support M&E as part of the NAP process
