Event objectives

We hope this TTF event will help you to:

- A. Identify strategic communications opportunities for the NAP process, developing key messages and identifying priority communications channels through which to engage audiences.
- B. Revisit key themes from past TTF meetings to deepen and refresh our understandings.
- C. Reflect collectively on the lessons and changes that have come from working together through the network.

Our learning journey

DAY 1: COMMUNICATIONS FOR NAPs

- » Sharing good practices on strategic communications
- » Identifying audiences
- » Developing messaging
- » Choosing the right channels
- » Review and Reflect

DAY 2: REVISIT LESSONS & TAKE STOCK

- » Masterclass sessions
- » Knowledge clinic: “My last question!”
- » Look back at experience and achievements
- » Where to next?

Some secrets To success

Active listening: Be present in both body and mind.

Embrace risk: Some of our greatest learning moments come when we take a risk.

Support one another: To contribute, to understand, to get the most out of this Forum.

Other suggestions?

Special Request

Knowledge clinic tomorrow: We need patients!

Do you have questions about your NAP process that you'd like to have advice on? Become a patient by signing up.

Monitoring social impact?

Getting communities involved?

Integrating NAPs into local development plans?

Have a great workshop!

Three questions

1. First impression of Fiji
2. Something you're most proud of in your work since the last TTF
3. Something I hope to gain from today

- New technical knowledge
- Expert advice
- Peer learning
- Interacting with other countries
- Stronger institutional capacity
- Improved relationships in my country
- Applying lessons learned
- Time out to think
- Access to financial resources and support
- Other (e.g. outside changes)
