Country Support Hub

Two types of support:

- 1. Expert advice:** Light touch feedback and advice on NAP issues from Secretariat, peers/participants, Roster of Experts – virtual support
- 2. Targeted Technical Support:** Specific and short-term assistance to maintain momentum in a NAP process – experts contracted

Thematic resources

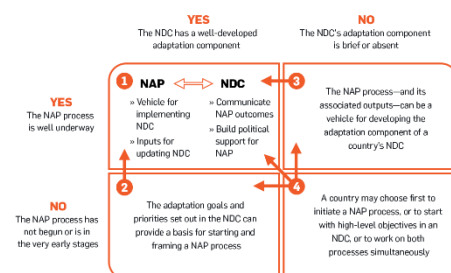

Sector integration

Spectrum of approaches to integration in a NAP process

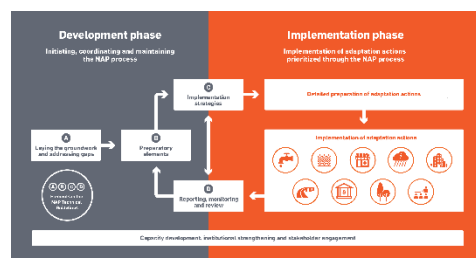

Vertical integration

Framework for creating strategic links between national and sub-national adaptation planning, implementation, and M&E

Relationship to NDCs and SDGs

Framework for understanding how NAPs are related to NDC processes and SDG implementation

Financing NAP processes

Identifying, aligning, and strategically accessing different sources of financing for different phases of the NAP process

Gender

Assessing and tracking gender-responsiveness in NAP processes

Targeted Topics Forum

Targeted Topics Forum (TTF)

- Space to allow for honest and practical exchanges around NAP processes:
- Zoom in on one specific topic related to NAP, move beyond generalities
- Aim: Community of practice, South-South exchange

TTF's Cohort Approach

- Group of participants from 9-10 countries
- Meet in person once a year at a TTF
- Topics that build on each other
- Sustained peer learning

TTF 1: July 2015

TTF 2: March 2016

TTF 3: February 2017

TTF's Three Pillars

TECHNICAL

Getting inputs from experts in the field to enhance understanding and frame discussions

RELATIONAL

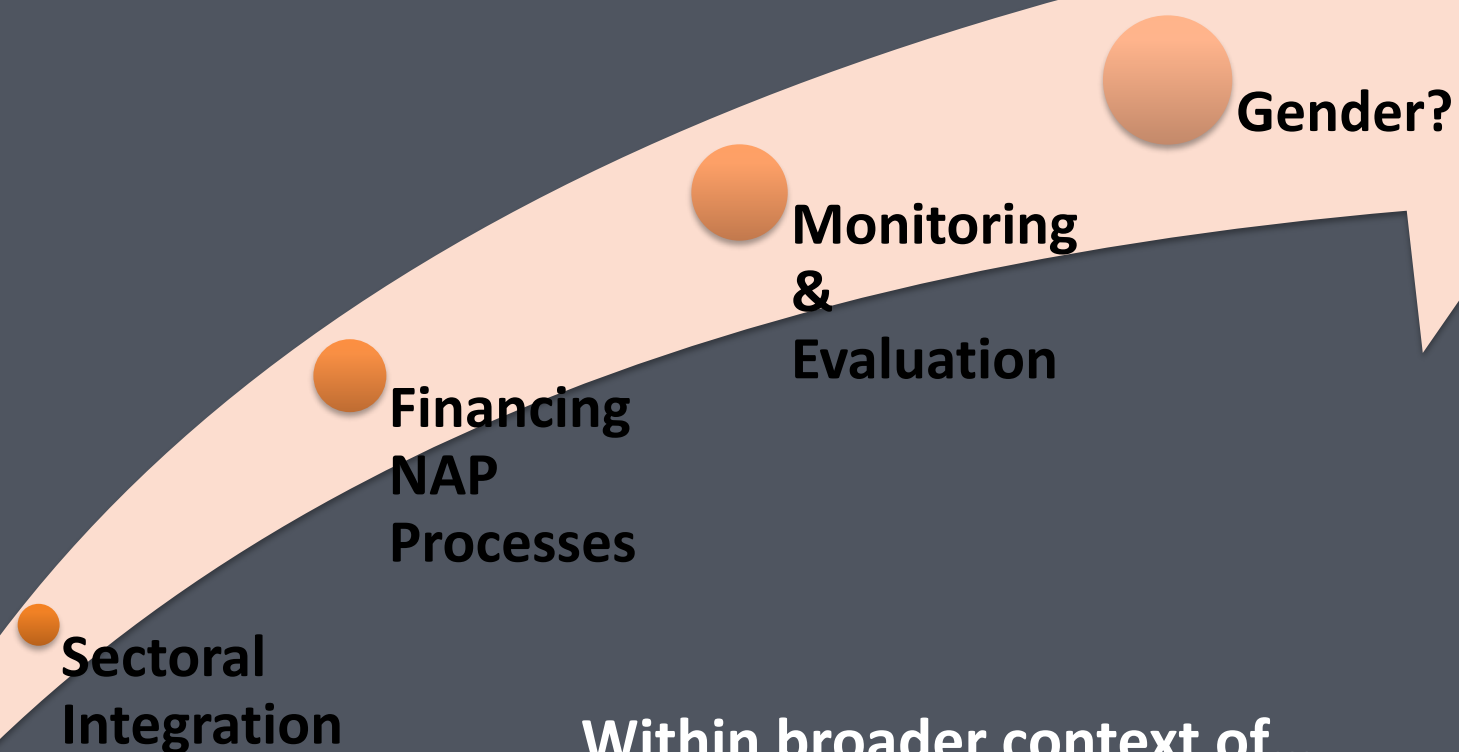

Sharing experiences on these issues and learn from peers in countries from around the world

REFLEXIVE

Unpacking what these technical inputs mean in own country contexts

Themes / learning journey

Within broader context of...

- Emphasis on implementation
- Link to NDCs
- Relationship to SDGs
- GCF support to adaptation planning
